

The Sanilac Area Violence Elimination Council is excited to introduce a new Fall event and we are looking for more partners! Would you like to join us?

The **Children's Harvest Hop** is scheduled for Friday, October 22nd from 4:00 p.m. until 8:00 p.m. at the Diamond Trail Walking Path. The FREE event will be filled with a variety of stops or stations for the children

to stop at to either collect a treat, perform a fun activity or information. The event is scheduled during Domestic Violence Awareness Month and focus is providing information about staying safe, being kind, preventing violence but mostly about having fun!

As the children and families walk the 1 mile walking path we will have a variety of Halloween decorations and a variety of challenges on the path. We hope to create a small hay/straw maze, cardboard tunnel and a hopscotch horror!

We are seeking additional partners that are willing to set up a tent or display around the outside or inside of the trail. Partners would agree to provide a fun activity, a treat or information about staying safe. We welcome individuals, groups or agency sponsors that would like to make a financial donation, donate treats, snacks, or drinks for the attendees. We are seeking Pumpkins and Gourds that can be given to the children to take home to decorate also. All sponsors will be identified on signage at the event and post event publications.

We intend to give the children glow sticks and necklaces to be used while trick or treating. We hope to provide each child with a reusable tote bag that they can use to collect goodies at the walk and again for Trick or Treating during Halloween. We would like to give away toothbrushes, tooth paste, pencils, crayons and hand sanitizers.

Agency registration or on line donations can be made at: www.evasplaceshelter.org Look for the Harvest Hop! Additional questions can be forwarded to slanctot@sanilacounty.net or 810-648-5463 or to evaplace@greatlakes.net or 810-672-9467.

Halloween costumes are optional☺

Thank you!
